Dear School Food Service Supplier:

The Oregon School Nutrition Association's (OSNA) 22nd Annual OSNA School Food Service Directory is now in production. Enclosed are the pertinent materials that will assist you in placing ads in this year's comprehensive resource guide, including:

1. Ad Reservations Form: This form lists the ads placed by your company (or on behalf of your company; e.g., if you are a brokerage placing more than one ad) in last year's OSNA Directory.

- All ads from last year are on file in our offices and can be repeated by indicating so in the "Repeat 2016-2017 ad" checkbox.
- If you advertised last year, but wish to supply a wholly new ad, please check the "New Ad" box.
- If you are a NEW advertiser, please fill out the company name in the blank space(s) provided, along with the size and color of the ad you want to place for 2017-2018. We will contact you to confirm mechanicals and specifications.

*Please note: All space reservations, new camera ready ad copy, and checks made payable to OSNA or credit card payments are due to the OSNA Directory Office **no later than August 31, 2017.***

2. Ad Rates/Mechanicals: This information sheet relays the cost for each size and color of ad, along with the measurements of each size ad.

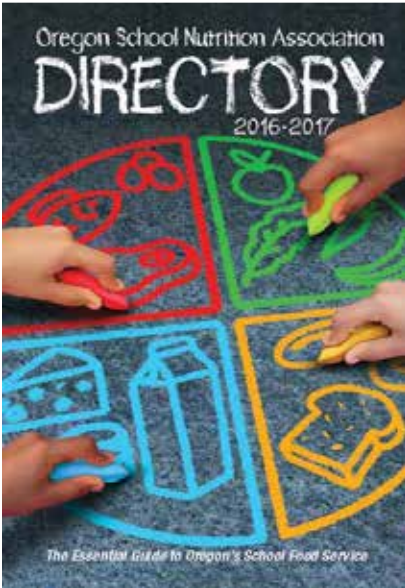

3. Vendor Listing Form: All advertisers in the OSNA Directory receive a bonus listing in our Supplier's Section. Each confirmed advertiser should complete the form and mail or scan as a PDF and email it to the addresses provided on the form.

4. Payment Information and Checklist: We've provided an easy-to-use checklist for advertisers and payment information to help assist you in placing and submitting your ad.

On behalf of OSNA's Industry Committee, thank you for your support of Oregon's school food service administrators and programs. We look forward to working with you again this year to get your sales message out to the school food service market.

Best regards,

Julie Bricher
