

Oregon School Nutrition Association's USDA Foods Commodity Show

The OSNA Industry Committee would like to invite you to participate in its **Commodity Processing Show on Friday, October 13, 2017**. Oregon School Districts are interested in seeing the commodity products you

have available for processing. Districts will place their commodity orders with the Oregon Department of Education in March 2017, so you will have plenty of time after the show to follow-up with Districts. Please only show your Commodity Processing approved items.

The USDA Foods Show will be held at Camp Withycombe Armory/Event Center, 15300 SE Minuteman Way, Clackamas, OR 97015 from 11:00AM to 1:00PM on Friday, October 13, 2017.

Oregon School Foodservice Directors, Purchasing Agents, and Key Foodservice Personnel will be invited to attend.

The fee for an 8-foot banquet table, power (please complete form), with a plastic tablecloth is \$475.00.

Please note any extra needs below and we will try to accommodate prior to your arrival. Booth set up is from 1PM to 5PM on Thursday. Doors open at 6AM on Friday. Teardown will be directly following the show at 11:00AM. A limited kitchen facility is available on a first-come basis-- two convection ovens, 2 holding cabinets, and a dishwasher.

We are very excited to work with you again this year, and we look forward to another successful show.

Please RSVP for booth space by Sept. 15, 2017.

Booth fees of \$475.00 per booth must be received prior to arriving at the show.
